

A Chance to read at your Library

Hello.

My name is Chance Hansen, I am a self-published author having written many books.

You might be thinking right now, *“So what? What does he have to offer that will benefit our library?”*

If you hire me this is what to expect.

1) What to expect

- A full presentation is about 45 - 60 minutes.
- As a 2 for 1 deal I come with my own illustrator.
- As I read one of my books Pascha Hansen draws on the easel
- My readings are interactive and animated
- After reading we answer questions about writing, drawing, publishing, etc.
- We also have a game made out of puzzle floor mates that corresponds with the books.
- If there is time, we are willing to do a second reading.
- Depending on the illustrations we let the children color in an outlined drawing that Pascha just drew.

Sounds intriguing? But what about payment, how expensive is it for an author and Illustrator to do a presentation? These are the prices.

2) Payment

- \$200.00 for a reading
- Book prices may vary

It sounds good and all but is there anything you're leaving out? What do you do that hasn't been mentioned?

3) Bonus

- Gifts to each student;
 - a. A coloring page
 - b. A Bookmark

How can I see more information about you?

4) About Me

- You can find me on-line on;
 - a. Facebook
 - b. YouTube
 - c. Twitter
 - d. Pinterest
- Phone Number 780-785-4131
- Email greenpeabooks@yahoo.ca

Why are you doing this?

5) My Intentions

- What I encourage
 - a. I want to encourage children to write and draw
 - b. I want to encourage others to follow their dreams
 - c. I want to make others excited about reading
- Even if I make one child laugh my day is made
- Doesn't matter if there is one child or fifty. Quality over quantity.
