

A Chance to Read at your School

Hello.

My name is Chance Hansen. I am a self-published author having written various children's books. You might be thinking right now, "*So what? What does he have to offer that will benefit our school?*" If you hire me this is what to expect.

1) What to expect

- A reading takes about 30-45 minutes at a time.
- As a 2 for 1 deal I come with my own illustrator
- As I read one of my books Pascha Hansen draws on an easel
- My readings are interactive and animated
- After reading we answer questions about writing, drawing, publishing, etc.

Sounds intriguing? But what about payment, how expensive is it for an author and Illustrator to do a presentation?

These are the prices.

2) Payment

- \$200 for a half a day.
- \$300 for a full school day
- Picture books for your school vary

It sounds good and all but is there anything you're leaving out? What do you do that hasn't been mentioned?

3) Bonus

- Gifts to each student;
 - a. A book based coloring page
 - b. A book based Bookmark
 - c. Various Novelties available at the time.

How can I see more information about you?

4) About Me

- You can find me on-line on;
 - a. Facebook
 - b. YouTube
 - c. Twitter
 - d. Goodreads
- Phone Number 780-785-4131
- Email greenpeabooks@yahoo.ca

Why are you doing this?

5) My Intentions

- What I encourage
 - a. I want to encourage children to write and draw
 - b. I want to encourage others to follow their dreams
 - c. I want to make others excited about reading
- Even if I make one child laugh my day is made

6) How many readings can you do?

I can do as large as you would like. I've done from 1 child to an entire K-6 school. They can even be broken up into multiple classes if that's your preference.

Does this sound like something you would like in your school?
